

NHS Service Learning Project to benefit the Seacoast Family Food Pantry of NH

We are very excited to announce that this year, NHS will again be participating in the 100th Day Food Drive to benefit the Seacoast Family Food Pantry of NH. This is the 7th year we have taken part in this school-wide service learning project, due to the great need in our seacoast area. It coincides with the 100th Day of school, and helps the pantry at a time of year when donations are scarce. We hope your family can participate actively in this service learning project. This is a very simple way that students can help make a difference in the lives of others.

As of now, the 100th day of school will be **Monday, February 6th**.

Each grade level has a goal of collecting **100** of a particular item.

Sixth Grade is being asked to donate:

Cereal

Items can be brought into school any time up until: **Friday, February 3rd**.

Thank you in advance for your generosity and for giving your child this opportunity to be of service to others!

Help Sixth Grade reach your goal of collecting 100 boxes of healthy cereal!
